# Coming to Brockport (Nice Jaguar!)

Brockport from the air, 1958.

## A few quick stats:

- There were about 900 students, all here to train to be teachers.
- “GE,” General Elementary Education, or Health & Physical Education were the big programs.
- Dr. Tower was the president, and there were 100 or so faculty and staff.

# There were a few rules...

- A few years later this would all change, but in 1959-63 rules about dorms and hours were still in place.

## Weekend and Overnight Sign Out Procedures

Any woman student leaving for the weekends or overnight must have a written permission from her parents on file in the office of the Associate Dean of Students.

If a student plans to go home each weekend, she can secure permission for the year from the Associate Dean of Students upon written request of the parent. If a student with a permanent permit remains in town over the weekend, she must have written permission from the Associate Dean of Students and present it to the Head Resident or Householder. All permits must be secured by noon on Friday.

Students living in the residence halls will sign out for over nights in the office of their own Head Resident. **Overnight permissions during the week are granted only under unusual circumstances and approved in writing by the Head Resident or Associate Dean of Students.** Only those students living Off-Campus need to sign out in the Associate Dean's Office in addition to signing out at their residences.

It is necessary for each student to sign out of the Residence Hall if she expects to be out after 8:00 p. m. or if she is going out of town for the weekend or overnight.

Every student must sign in and out for herself. A girl signs in after her date is out of the hall.

Misuse of the sign out privilege may result in suspension or dismissal from the College.

Any resident student, unaccounted for during the night and in violation of housing policies and rules may be suspended from college for the semester. If this violation occurs 30 days before the end of the semester, the action may be postponed until the succeeding semester. In case of second semester Seniors, this may result in dismissal from the College.

A student taking evening employment will be subject to the regulations concerning regular hours.

The College Union is certainly the most well known and visited place on our campus. It is in this place that we meet new friends and share everyday occurrences with our old friends. Many activities take place here; dances, movies, panel discussions, demonstrations, social gatherings, and club meetings to name a few. These events are sponsored by five student committees: Public Relations, Social, Music and Arts, Men's Activities and Women's Activities.

The Union is the home of our "beloved" cafeteria, our newspaper, our yearbook, and our "pool" hall. The doors are always open so stop in and socialize.

# The Twist!

New to the winter sports roster this year was the wrestling team coached by Mr. McIntyre. An extremely enthusiastic coach, he shaped the team into one worthy of the overflowing crowds that attended the home meets.

A record of being undefeated at home is one of which the Eagles can be very proud. At the state meet, the team as a whole placed third and Pete Logan placed first in the heavyweight division.

Co-captains for the 1962-63 season were Bill Mull and Terry Mather.

*Two new teams do very well in*

Despite their having to use R.I.T.'s Ritter Clark ice for home games, the Hockey Club soon attracted a large number of fans who did not mind driving the extra distance to see the Eagles in action. Although not yet officially recognized as a team, the Club, under Advisor Zulalian and Coach Hughes, remained near the top of the Finger Lakes Intercollegiate Hockey League. Leading the club in total points were the "Vultures," Pete Conover, Wayne Homiel, and Don Kwak. Two of the founders of the club, Ralph Dewey and Warren Rammacher, were also outstanding on the ice.

# Brockport Women Prove To Be Energetic 50-Mile Hikers

The males aren't the only ones who are getting into the "50-mile hike" news! The coeds are getting into the act, too. Just ask Bette Pietrusewsky and Geri Polvino about their stroll a few Sundays ago!

Bette, PE 4 from Holland Patent and Geri, PE 4 from Rochester, decided they weren't going to let the female subculture go down in the books as not accepting President Kennedy's challenge. So with packs on their backs, and inspiration from friends and faculty members, the two Seniors started out on their Sunday "stroll".

The two collegiennes saw a lot of scenes that day.

"Hamlin Park was nice," quips Bette, "except for a knifing wind and a snowstorm!" (other than those minor details everything was great!)

Besides Hamlin, the girls traveled through Clarkson, Hilton, Spencerport and back into Brockport.

The results? Geri and Bette accomplished a feat which few others have laid claim to. In approximately 16 hours the girls walked a total of 53 miles.

The effects? Bette had a slight problem with over-stretched muscles, due to the fact that she wore sneakers on the hike! Geri had a little bit of trouble with her leg, but didn't stop.

"After awhile," comments Bette, "our walking became so much a part of us that we were wondering how to stop."

But to the two Seniors the hike was by no means only a measure of physical fitness. It became, instead, a measure of will power and endurance. It loomed as a goal to achieve by both of them.

• • •

**Note:** The freshmen coeds are getting into the hiking act also. But they're not going to plunge into a 50-mile hike immediately. Instead, their plans include weeks of conditioning before actually hitting the open roads.

Ann Andrews, Frani Fisher, and Marge Anderson have begun their conditioning; they walked over a mile in the dormitory!!

## Dr. King Directs Yule Concert; Chorus Of 220 Highlight Program

Dr. James King, Director of the Christmas Concert to be presented this year on December 14 and 16 at 4 p.m. in the College Auditorium, can point to many significant "firsts" in the Concert which set it apart from past programs.

The Campus School Quartet will, for the first time, perform before a college student audience. The members of the Quartet are: Michael deGroat, Lorelyn Klym, and Steven Bugar. The singing groups presented the Bach Program on November 18, and the Women's Glee Club, under the direction of Mr. Daniel DeNinno, gave a preview performance.

## Stages II, III, IV Plan Open Houses

With the coming of this holiday, each dorm unit has planned an Open House between the hours of 1:30 and 3:30 on December 16. The dorms will be opened for the enjoyment of the administration, faculty, students, family, friends and townspeople.

The final selection of these fourteen students involved complex planning. A committee was set up within the Senior Class to determine which students would be eligible. This list, com-

## Annual Christmas Ball Attended By 400 Couples

By Sara McClelland

Approximately 400 couples danced to the music of Don Jones and his orchestra at the traditional freshman Christmas Ball December 12, 1959. Snowflakes, choir figures and a 40 foot Christmas tree decorated the College gymnasium in carrying out the theme of "An Old Fashion Christmas".

## Andre Eglevsky Ensemble To Appear At College; Tickets Now Available

Who is Myra Kinch and what does she have to do with Brockport? For the price of \$1000 Myra and her ensemble were to dance for us this month, but unfortunately for her she fell and broke a leg. The agency is sending in her place and at the same price, the Andre Eglevsky Ensemble whose fee is normally \$1500. They will appear January 19, at 8:00 p. m. in the College Auditorium.

Russian-born Andre Eglevsky began his career with the Ballet Russe de Monte Carlo, and has been called the best male dancer in the world. He has frequently appeared on television, in films and is soloist with leading symphony orchestras of this country. Highest honor was accorded him

Freshman class president, Dennis Kenney, headed the receiving line that greeted couples as they entered the gym. Departing dancers received favors of Santas, choir boys and Christmas trees.

Highlighting the evening was the crowning of Jean Balcom as queen of the ball by last year's queen Carol Sottile.

Co-chairmen of the dance were Lee Havens and Helmut (Ike) Eichhorn. The various committee heads were as follows: publicity—Carol Thompson, Mary Anne Judd, Ken Furness and Diane Langworthy; tickets—Sally Gay and Theresa Cervini; decorations—Don Green and Peggy Quailley; band—Sharon Baker and Pat Carroll; refreshments—Sally Hellings and Joy Fiano; invitations—Suzie Bucholtz and Jill Bratton; clean-up—Duane Holbrook, Dave Kausch and Joe Anderson; queen—Gail Verity and Esther Kline; favors—Sharon Baker and Pat Carroll.

## Don Jones Orchestra To Play At Annual Frosh Yuletide Classic

Snowflakes and Christmas trees will deck the College gymnasium tomorrow evening when the freshman class present the traditional Christmas Ball.

Three vocalists will accompany Don Jones and his eleven piece orchestra from 9:00 p. m. until 1:00 a. m. in an "Old Fashioned Christmas" setting. A twenty-five foot Christmas tree in the middle of the dance floor, a tree in each corner, and a huge white sleigh will complete the decorations. Pictures will be taken in the sleigh.

This past week an election for Queen of the Dance was held. The candidates included **Jean Balcom, Marlene Grillo, Ellen Gibbons, Janet Reed, Gail Verity** and **Martha Wills**. At the dance, the Queen will be crowned by **Carol Sottile**, last year's Queen.

**Lee Haven** and **Helmut (Ike) Eichhorn** are co-chairmen for the semi-formal dance. Flowers will be in order.

Tickets (\$2.75) may be purchased in the lower foyer of the Main Building or at the door. The tickets include refreshments which will be served throughout the entire evening.

# Malnati Captures ECAC Tackle Slot

## Malnati Captures ECAC Tackle Slot

Ask anyone on campus who Richard Malnati is and 9 out of 10 times you draw a blank. But mention Wall Malnati, and any sportsminded person will know you are referring to #74, the right tackle on the Golden Eagle football team. Wally, a GE4 from Roslyn, is the most determined (and quite possibly one of the best) linemen ever to don pads for Brockport. Prove it, you say? Wally spent the summer lifting weights and doing a lot of running to ready himself for this fall. He has started every game played to date, and is in on more than his share of tackles. Against Ithaca, he threw enough blocks and tackled enough carriers to make the All-East First Team in his right tackle position. One of his teammates can be quoted as saying, "Wally is the hardest-working lineman on the squad," a comment that certainly was earned. Wally is 100% desire and is constantly working to improve on the areas he feels he is poor in.

As this article goes to press, Wally is flat on his back in a bed at Lakeside Memorial Hospital with some torn back muscles and a sprained sacroiliac suffered in the game Saturday against Central Conn. Wally will miss this Saturday's game against Trenton, but he hopes to be out in time to help

the Eagles beat Cortland in Homecoming Day, October 27th. If Brockport's football team is not winning, it certainly isn't because Wally and his teammates aren't putting forth 100% of their abilities. Let's hope that Wally will be OK in time to fulfill his strongest desire: to play on the football team that beats Cortland on the 27th.

## Forest Hills Visited In ETTA Tennis Meet

Tennis is a little-known sport around the Brockport campus. However, a few weeks ago, five SUCB coeds journeyed to Forest Hills, New York, and there they participated in the Eastern Collegiate Tennis Tournament for Women held at the West Side Tennis Club. The Tournament was sponsored by the Eastern Town Tennis Association, Barnard College, and Briarcliff College.

Brockport entries included **Carol Szuba** from Utica, **Edna Van Deusen** from Johnstown, **Cathy Klein** from Richland, **Judy Burfeindt** of Smithtown, and **Geri Polvino** from Rochester.

Cathy Klein played successfully until the semi-finals, but was then eliminated by a coed from the College of New Rochelle. Edna Van Deusen was eliminated in the quarter-finals, while Carol Szuba bowed to her opponent in the semi-finals.

The doubles team, comprised of Geri Polvino and Judy Burfeindt, went down to defeat in the second round at the "rackets" of coeds from Centenary College.

## Delta Beta Zeta Strives To Better Social Life; Sponsors Ugly Man Contest

Delta Beta Zeta is taking strides to make BSCE a little better place to go to college. This social club has come along slowly in a manner that we hope will be beneficial to faculty, students and the village of Brockport.

Through the Social Committee and Mardi Gras, DBZ is sponsoring an "Ugly Man Contest" to determine the king of Mardi Gras. These men were chosen from prospective new members of DBZ by having their names drawn from a hat. Pictures of the candidates are now on display in the union. They are HUGH GRAHAM, STU FELDMAN, DON OSBORNE, JERRY RAUCH, RUDY HELLEN-SCHMIDT, DON KWAK and RALPH BELL. Under each picture you may deposit any amount of money for your choice. Each penny counts as one vote. Proceeds of this worthy venture will go to the HOSPITAL FUND.

The club is also sponsoring a concession at Mardi Gras in conjunction with M.A.C. Another project that is being planned for the near future is Easter Baskets to go to the children in the hospital.

Delta Beta Zeta is a closely knit club headed by President Bruce Dubois, PE 3, Vice-President Bill Steele; Bob Westcott and Ernie Gerlechen, secretary and treasurer, respectively. Membership has reached sixty including freshmen, sophomores, juniors and seniors.

Prospective members include: Hugh Graham, Pat Murphy, Wayne Gary, Larry Maggi, Stu Feldman, Tony Lamonica, Tom Cowan, Don Osborn, Bill Schult, Bill Santora, Jerry Rauch, Art Hienberg, Tony Corey, Rudy Helleneschmidt, Bert Mann, Steve Babcock, Wally Malmati, George Jacobs, Fred Millman, Marty Hoxter, Joe Fusco, Bob Roodina,

JERRY RAUCH

Pete Etu, Hank Burdick, Don Kwak, Chet Lohaszewski, Jim Rindfuss, Ralph Bell, Ron Ravenna, Pep Johnson, Mike Kohut, and Iko Eichorn.

Each member of this group hopes with all sincerity that BSCE will judge and accept them for what they can do for this campus.
